“I had to get an IELTS score of 7, so I could be accepted to migrate to Australia under General Skill Migration Programme. I needed a serious course which would get me through the IELTS exam in the shortest possible time. The IELTS Intensive course at CME was perfect for this. The IELTS Preparation Course provided practice in all aspects of the IELTS test, with analysis, explanation and skill development in seminar style discussion, note-taking and research. I would recommend this course for anyone who needs an intensive course to get the IELTS.”
